

CALENDAR

AFC 2020

Arroyos & Foothills Conservancy 20th Anniversary

FOR KIDS

KIDS CAMERA SAFARI

Join AFC's youngest wildlife photographer on a hike through Descanso Gardens; learn how she uses cameras to understand the wildlife there and how you can do the same; open to all ages.

GET OUTSIDE

ROSEMONT NIGHT HIKE

Join AFC advisor and 14th-generation Native Californian Rich Toyon for a night hike at the Rosemont Preserve, and learn about the cultural significance of wild lands to Native communities.

GEOLOGIC SECRETS

Explore the history of an AFC property as told through its rocks, geologic features, and fault lines, with professor of geology Dafna Golden from Mt. San Antonio College.

BIRD HIKE

Join experts from Audubon to discover the bird populations of Descanso Gardens.

WATCH

"THE CAT THAT CHANGED AMERICA"

The amazing story of P-22, a mountain lion who lives in Griffith Park in the middle of LA; followed by Q&A with directors & producers.

"THE LEOPARD IN THE LAND"

A documentary chronicling a month-long horseback journey across Mongolia in pursuit of elusive snow leopards; followed by Q&A with directors & producers.

LEARN

BIODIVERSITY, WILD LANDS, AND PANDEMICS

Hear a panel of experts discuss the role - and importance - of wild lands in promoting public health, and discover some of the surprising links between pandemics and conservation.

BACKYARD BAT PROJECT

Hear renowned wildlife biologist Miguel Ordeñana on how museum scientists & LA residents are creating the first large-scale study of bat habitat usage in urban and suburban habitats.

CAMERA TRAPPING TIPS & TECHNIQUES

Join award-winning wildlife photographer Johanna Turner to learn how she captures images in the wild. Discover techniques you can use to get started, or raise your camera trapping to the next level.

MAKE

BUTTERFLY PLANTS

Learn how to create your own butterfly garden with experts and plants from the Theodore Payne Foundation.

NATIVE PLANTS SOAP-MAKING WORKSHOP

Join experts from the Regenerative Collective to learn how to make soap from California's native plant species.

PLEIN AIR NATURE SKETCHING

Join Disney imagineer Joe Rohde to learn how to sketch in the great outdoors. No artistic experience required or needed!

AFC PRESENTS LIVING in a WILDLIFE CORRIDOR

AFC, along with partners and sponsors, will transform the Boddy House at Descanso Gardens into an artistic, scientific, and sensory immersion in the sights, sounds and smells of a wildlife corridor.
